

ORGANIZATION ANNOUNCEMENT

Sensient Imaging Technologies is pleased to announce the addition of FV Ink to our family of distributors servicing Brazil and the surrounding countries. FV Ink has had a relationship with Sensient Imaging Technologies, formerly known as Formulabs, for many years and is now being elevated to our highest distributor level and is thereby granted access to the complete Sensient™ range of SensiJet® products.

Please join me in congratulating Felipe Vilhena and FV Ink as they achieve this status with Sensient. Attached please find Felipe's contact information. Please notice that in addition to Felipe's Brazil contact information, he will have an extension at our Carlsbad, CA location for overflow calls.

FVINK – COMÉRCIO DE TINTAS PARA INFORMÁTICA LTDA
